Subject: Complaint against receiving 5 cheques less in the cheque book

Sir/Madam

I, Vikas Gandhi, proprietor of “Paramhans Juice and Ice Cream Parlour” have a current account in your branch with account number 3058002100502361. I recently received a cheque book by post and the number of cheques in this cheque book are less. The front page states that the cheque book has 50 cheques but it has only 45 cheques.

Kindly do the needful and record my complaint that the cheque number 264996 to 265000 are missing from the newly received cheque book.

Thanking You

Yours Truly

Vikas Gandhi
